Re: ***AT&T Corp. Petition for Declaratory Ruling Regarding Enhanced Prepaid Card Services, WC Docket No. 03-133***

Yesterday, Len Cali, Vice President-Law & Director of Federal Government Affairs, David Lawson and I met with Commissioner Kevin Martin and Senior Legal Adviser Dan Gonzalez. The purpose of this meeting was to discuss issues related to AT&T's enhanced prepaid calling card services. We reiterated that under the Communications Act and well-settled Commission precedent, AT&T's prepaid card service is an enhanced or "information service" that is jurisdictionally interstate in nature. The attached ex parte formed the basis of our discussions. The arguments made were consistent with AT&T's written submissions filed in the above referenced proceeding.

One electronic copy of this Notice is being submitted to the Secretary of the FCC in accordance with Section 1.1206 of the Commission's rules.

Sincerely,

A handwritten signature in cursive script that reads "Robert W. Quinn, Jr.".
